

UNDERGRADUATE CERTIFICATE OF DESIGN

FAST-TRACK YOUR STUDIES WITH SUMMER SCHOOL

Students commencing in February 2027 have the opportunity to complete the Undergraduate Certificate of Design during our Summer School program, commencing on 11 January 2027.

Delivered over two intensive weeks, classes run Monday to Friday, 9:00am–4:00pm, allowing you to complete foundation subjects before the academic year begins.

By completing these subjects in advance, you can reduce your study load during Trimester 1 and study approximately 2.5 days per week, giving you greater flexibility to balance work, family commitments, creative practice, or personal projects alongside your degree.

Summer School is also an excellent way to build confidence, develop essential design skills, and become familiar with higher education study before joining your cohort in February. You'll begin your degree with a strong foundation, valuable academic experience, and a lighter timetable throughout Trimester 1.

Places are limited, and early enrolment is recommended. Contact Admissions for more information: study@whitehouse-design.edu.au

UNDERGRADUATE CERTIFICATE OF DESIGN SUBJECT & FEE SCHEDULE

The Undergraduate Certificate of Design is made up of 4 subjects. On the successful completion of all 4 subjects, you will be awarded an Undergraduate Certificate of Design. Unsuccessful completion of all or some subjects will result in not being eligible to be awarded the Undergraduate Certificate of Design.
